Waters School emphasizes Experiential Learning, where children learn through hands-on activities and interaction.

The school's Integrated Curriculum artistically weaves concepts and themes across subjects for more engaging and holistic instruction.

WatersToday is a new group of parents, neighbors, and community members dedicated to the continuing betterment of Waters Elementary School.

We are working with a dedicated principal and teachers who welcome neighborhood involvement and are eager to continue pushing the school to new heights.

Please visit us at **www.watertoday.org** to join our efforts to enrich this neighborhood school.

Thanks to:

The Grind, Beans and Bagels and Café Selmarie for donating refreshments.
